Teacher Certification

A Music Education option is offered under the B.Mus. degree in Music and an Art Education degree is available within the College of Arts, Humanities, and Social Sciences. Many of the other majors available through the College of Arts, Humanities and Social Sciences can lead to careers in teaching. Students who are interested in becoming professional educators should refer to the degree program offered through the School of Education. Teacher certification is available in the following areas: Art, English, French, History, Music, Social Science, and Spanish.

Students interested in teacher education are encouraged to declare a double major in their discipline and in education (i.e. History and History Education). Such double majors may typically be earned by successful completion of a few additional credits. Students should contact their advisers or the Office of Registration and Records for details.

Undergraduate Degree Requirements

All degree candidates must apply for graduation through the Office of Registration and Records (https://www.ndsu.edu/registrar/) according to university procedures and deadlines. Students should refer to the degree and graduation requirements (http://bulletin.ndsu.edu/academic-policies/undergraduate-policies/degree-and-graduation/) section of this bulletin.

Bachelor of Science degree requirements includes completion of an approved minor. Bachelor of Arts degree requirements includes proficiency in one foreign language at the second-year college level. For more information on how to fulfill a B.A. requirement using a second language (http://bulletin.ndsu.edu/academic-policies/undergraduate-policies/degree-and-graduation/#basecondlanguagetext), refer to the Academic Policies (http://bulletin.ndsu.edu/academic-policies/) section of this bulletin.

Students in the college may take courses under the pass/fail option for free elective credits only, with a limit of 16 hours.

See College Requirements (p. ) for additional information on requirements that satisfy the college requirements.

Field Experience Courses

Departments may adopt either pass/fail or letter grade options for Field Experience/Internships.

- Where Field Experience/Internship credits are a requirement of a program, these credits may be graded pass/fail to satisfy requirements for a major.
- Where Field Experience/Internship credits are not a requirement of a program, up to three credits may be graded pass/fail to satisfy requirements for a major.

Right of Petition

Students seeking deviation from any academic rules and regulations administered by the college may appeal in writing to the College's Committee on Student Progress. Pre-Professional Curricula Requirements for admission to most professional academic programs may be met at NDSU. The specific courses taken in a pre-professional program depend primarily upon the admission requirements of the program to which a student wishes to apply.
