Master's Degree Policies

Plan of Study

The Plan of Study shall include the specific courses the student is expected to complete and any other special requirements of the particular master's degree that the student is seeking. The Plan of Study must be filed with the Graduate School by the end of the student's second semester of study. Revisions may be made with the Request for Change to Plan of Study (https://powerforms.docusign.net/20c075c4-741c-4c43-8767-4c48338ddfa?env=na3&acct=1ceb9a57-b6a3-4df7-b655-d64cf8f1c2d7&accountId=1ceb9a57-b6a3-4df7-b655-d64cf8f1c2d7) form. Plans of Study, and all changes to them, must be approved by the student, the supervisory committee, the graduate program leader of the student’s program, and the Dean of Graduate Studies.

NDSU has minimum requirements for master's degrees. These are outlined below. Once these minimum requirements have been met, any other graduate courses can be used to satisfy the remaining Plan of Study requirements. Each program has the responsibility of defining the requirements for a major in its disciplinary area. This information should be made available to students electronically and/or in the program handbook.

A student may use up to 10 credits taken as a non-degree NDSU graduate student toward the degree.

Plan A Master's Degree

Credits are transferred at the time the Plan of Study is approved.
