Business Administration

Department Information

- **Program Director:** Derek Lehmberg, Ph.D.
- **Email:** derek.lehmberg@ndsu.edu
- **Program Coordinator:** Paul Brown, MBA
- **Email:** paul.brown@ndsu.edu
- **Department Location:** Barry Hall
- **Department Phone:** (701) 231-9407
- **Department Web Site:** www.ndsu.edu/business/graduate/mba
- **Application Deadline:** International applications are due May 1 for fall semester and August 1 for spring semester. Domestic applicants should apply at least six weeks prior to the start of classes.
- **Degrees Offered:** M.B.A.
- **Test Requirement:** GMAT or GRE**
- **English Proficiency Requirements:** TOEFL iBT 79; IELTS 6.5

Program Description

The Master of Business Administration program at North Dakota State University is a non-thesis, professional program structured to serve qualified students with undergraduate degrees in various fields. The program is designed to provide the student with an effective set of analytical skills, a broad view of the way organizations work, and an understanding of the functional areas of business. The NDSU program takes a generalist approach to graduate business education while providing a variety of electives to give the student the opportunity to pursue a particular area of interest in business or a related discipline. Concentrations in the health care industry, and in supply chain and logistics are offered.

NDSU business faculty use a variety of teaching methods: case studies, group and individual projects, field research, computer applications, guest lecturers, student presentations, and discussion. Class interaction provides rich opportunity to network with aspiring professionals from a wide range of industries and countries. The student is able to acquire and improve problem-solving, teamwork, and communication skills and to apply these skills in business situations. Teleconferencing software enables distance learners to fully participate in class and complete the MBA program off-site.

Financial Assistance

The College of Business offers financial assistance through graduate assistantships and scholarships. Applicants must be admitted on a conditional or full-standing basis. Assistantships include a stipend and tuition waiver accompanying work within the college.

The tuition waiver is limited to graduate course work. Awards are based on academic excellence as determined by grade point average, high potential as measured by the GMAT score, and the financial needs of the student. Applications are available at www.ndsu.edu/business.

GMAT/GRE**

Individuals seeking admission to the MBA program (or a College of Business graduate certificate program associated with the MBA program) may request a waiver of the GMAT/GRE requirement if they meet one of the following requirements:

- The applicant holds a terminal degree (e.g., PhD, MD, JD).
- The applicant has a minimum of five (5) years of recent, post-bachelor’s, full-time, professional work experience, including managerial responsibilities.
Appropriate documentation (i.e. official transcript, resume) is required to be uploaded to the application file. It does not, however, guarantee a waiver. Applicants are reviewed on a case-by-case basis, and waiver approval is determined at the discretion of the MBA program coordinator and/or director.

The total course requirements necessary to complete the MBA degree will vary depending on the background of the student. An adequate background in the functional areas of business is necessary for all students.

Foundation course areas include accounting, economics, statistics, management, marketing, and finance. Based on previous course work, some or all of these courses may be waived.

Beyond the foundation course requirements, all students must complete 30 semester hours of graduate work. Graduate courses in the MBA Program include the following eight required 2-credit core courses:

<table>
<thead>
<tr>
<th>Code</th>
<th>Title</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>MBA 701</td>
<td>Strategic Cost Management</td>
