Range Science

Department Information

- **Director, School of Natural Resource Sciences:**
  Frank Casey, Ph.D.
- **Program Leader:**
  Torre Hovick, Ph.D.
- **Department Location:**
  School of Natural Resource Sciences, Hultz 202
- **Department Phone:**
  (701) 231-5368
- **Department Web Site:**
  [http://www.ndsu.edu/snrs/degrees/graduate_degrees/](http://www.ndsu.edu/snrs/degrees/graduate_degrees/)
- **Application Deadline:**
  International applications are due May 1 for fall semester and August 1 for spring and summer semesters. Domestic applicants should apply at least one month prior to the start of classes.
- **Credential Offered:**
  Ph.D., M.S.
- **English Proficiency Requirements:**
  TOEFL IBT 71, IELTS 6

Program Description

The Range Science program in the School of Natural Resource Sciences offers graduate study leading to M.S. and Ph.D. degrees. Advanced work may involve specialized training in the following areas: rangeland ecology, fire ecology, plant community dynamics, restoration of ecosystem services, ecosystem reclamation, and wildlife population dynamics in rangelands.

Student research and academic programs are tailored to individual student needs and interests. Interdisciplinary approaches to range science programs are fostered.
