Biotechnology

Department Information

- **Department Location:** Van Es Hall
- **Department Phone:** 701-231-8892
- **Department Web Site:** www.ndsu.edu/majors/biotech/ (http://www.ndsu.edu/majors/biotech/)
- **Credential Offered:** B.S.
- **Plan Of Study Sample:** bulletin.ndsu.edu/programs-study/undergraduate/biotechnology/#planofstudytext (http://bulletin.ndsu.edu/programs-study/undergraduate/biotechnology/#planofstudytext)

Major Requirements

**Major: Biotechnology**

**Degree Type:** B.S.

**Minimum Degree Credits to Graduate:** 120

**University Degree Requirements**

1. Satisfactory completion of all requirements of the curriculum in which one is enrolled.
2. Earn a minimum total of 120 credits in approved coursework. Some academic programs exceed this minimum.
3. Satisfactory completion of the general education requirements as specified by the university.
4. A minimum institutional GPA of 2.00 based on work taken at NDSU.
5. At least 36 credits presented for graduation must be in courses numbered 300 or higher.
6. Transfer Students: Must earn a minimum of 60 credits from a baccalaureate-degree granting or professional institution.
   a. Of these 60, at least 36 must be NDSU resident credits as defined in #7.
   b. Within the 36 resident credits, a minimum of 15 must be in courses numbered 300 or higher and 15 credits in the major field of study.
7. At least 36 credits must be NDSU resident credits. Resident credits include credits registered and paid for at NDSU.

For complete information, please refer to the Degree and Graduation Requirements (http://bulletin.ndsu.edu/academic-policies/undergraduate-policies/degree-and-graduation/) section of this Bulletin.

* May be satisfied by completing courses in another General Education category.
† General education courses may be used to satisfy requirements for both general education and the major, minor, and program emphases, where applicable. Students should carefully review major requirements to determine if specific courses can also satisfy these general education categories.

- A list of university approved general education courses and administrative policies are available here (http://bulletin.ndsu.edu/academic-policies/undergraduate-policies/general-education/#genedcoursertext).

## Major Elective in Physiology: Select 3 credits from the following:

- MICR 480 Microbial Physiology
- PLSC 380 Principles of Plant Physiology
- ZOO 460 Animal Physiology

## Major Elective in Biotechnology Technique: Select 7-9 credits from the following:

- BIOC 473 Methods of Biochemical Research
- BIOC 487 Molecular Biology of Gene Expression

---

¹ Cross-listed as BIOC 315/L

The research and thesis may also be completed as BIOC or PLSC
CHEM 431  Analytical Chemistry I
MICR 445  Animal Cell Culture Techniques
PLSC 411  Genomics
PLSC 484  Plant Tissue Culture and Biotechnology

Additional Humanities & Fine Arts or Social & Behavioral Sciences Credits
An additional 6 credits from these General Education categories is required for earning a B.S. degree from either the College of Agriculture, Food Systems, and Natural Resources or the College of Science and Mathematics.

Total Credits 87-90

MICR 189 is only required for first-time, first-year students—A first-time, first-year student is defined as a student who has not yet completed a college course as a college student. Students that are not first-time, first-year students that either transfer into the university or change their major are not required to take AGRI 189.

Degree Notes:
• The Bachelors of Science degree is the default degree type for this program of study. However, a Bachelor of Arts degree is available if the degree is being earned from the College of Science & Mathematics.
• Bachelor of Arts (B.A.) Degree Requirements: An additional 12 credits of Humanities and/or Social Sciences courses and proficiency of a modern foreign language at the second year level (example: SPAN 201 & 202). Courses for the Humanities and/or Social Sciences may be fulfilled by any course having the following prefix: ADHM, ANTH, ARCH, ART, CJ, CLAS, COMM, ECON, ENGL, FREN, GEOG, GERM, HDFS, HIST, LA, LANG, MUSC, PHIL, POLS, PSYC, RELS, SOC, SPAN, THEA, WGS, or any course from the current Humanities & Fine Arts (A) and/or Social & Behavioral Sciences (B) General Education list.

Minor Requirements

Minor: Biotechnology

Required Credits: 20

</tbody>
</table>

Total Credits 20

Minor Requirements and Notes
• A minimum of 8 credits must be taken at NDSU.
